DfE ASSURED SENIOR MENTAL HEALTH LEAD TRAINING

COURSE OUTLINE

Virtual Two Day course

The course will equip professionals with the skills, knowledge and expertise to effectively deliver and further develop their role as the senior mental health lead.

Leads will learn:

The relevant principles of the senior mental health lead role and how to apply these.

- ✓ Leadership and management
- ✓ Identifying need and monitoring impact of interventions
- ✓ Targeted support and appropriate referrals
- ✓ Staff development
- ✓ Creating an ethos and environment
- ✓ Curriculum, teaching and learning
- ✓ Creating an effective strategic plan for mental health

Leads will receive:

- ✓ Individual coaching sessions each term to support them to successfully deliver the requirements of the role, work through challenges and barriers, and develop and implement strategic plans
- ✓ Access to a national peer support network for mental health leads. Hosted virtually on a termly basis.
- ✓ Access to a detailed repository of resources covering policy, research, best practice and curriculum
